"Memories of the

WOMEN

Though most things in life come quickly then pass,
There is something from Westie that I know will last.
It's the memories of friends and the days spent together,
To us that is something that we'll always treasure.
We've been through some good times, some pain and some sorrow, but we were friends yesterday, today, and tomorrow.
We'll think about Westie every once in a while, these memories will leave us with joys, tears and smiles.
We'll always remember times spent with friends;
A memory that lives on long after journey's end.

Way We Were"

Dedication

Portia Byard

Announcing the recipients of scholarships at graduation: Mrs. Byard's most gratifying function at W.R.H.S.

West Roxbury High School's Class of 1987 is proud to dedicate our yearbook to our guidance counselor, Mrs. Portia Byard, who has retired this year after many years of service in the Boston Public School System. Mrs. Byard joined the staff at Westie in 1977 after having been a home economics teacher and guidance counselor at the Jeremiah E. Burke High School.

After her retirement Mrs. Byard will take a long, well-deserved vacation. Then she plans to fill her time by participating in additional activities in her church and community. Mrs. Byard says that she will miss everyone at Westie. We know that she will certainly be missed by all of us whom she helped and encouraged through our high school years.

Thank you Mrs. Byard and best wishes for a happy retirement.

TOP FOUR IN AD SALES

Dina, Georgia, Arletha, Michael

Yearbook Advisor Ms. Dwyer listens to an innovative idea

Kudos to the 1987 Yearbook Staff

Dina's expertise makes cropping pictures look easy.

Arletha shares a design idea with Donna.

Undaunted by pressure of deadlines, undefeated in the face of frustrated plans, unflinching in their focus on the task, this year's staff strove energetically to produce a yearbook worthy of the class of nineteen eighty-seven.

With tireless effort, enthusiasm and energy, goal-focused Georgia Thoidis monitored and facilitated the progress of the entire staff and helped find solutions to the variety of problems that sometimes arose unexpectedly.

Inspired by creative bursts, Arletha designed and laid out most pages in the sports section. Donna Bakas assisted by interviewing the coaches for information she needed to write the sports copy. Dina toiled tirelessly in planning and executing the faculty section with its new departmental format. Dina also designed and laid out most of the activities section with help from Maria Bombas.

Lan lost sleep trying to decipher the hand-scrawled profile sheets until Roman came on board to help with the tedious task. Lan's idea for including photos with each profile was not easily implemented, but she and Roman were determined to make it work.

Cheryl Owens laid out the entire advertising section herself with help and encouragement from senior class advisor, Ms. Nanos.

When Laz Michaelidis wasn't on a special photo assignment or cloistered in the darkroom doing emergency developing and printing, he cheerfully helped other staff members in a variety of tasks.

The typing skills of Deyline Jusino and Nora Wanesberry were very useful to the entire staff.

Michael did the research, layouts and copy writing for all of the special features. In addition, he lent his assistance to others as the need arose. Through it all, Michael lent an air of stability and reason. He kept his head even "when all about him were losing theirs." This quote from Rudyard Kipling refers mainly to the yearbook advisor, Ms. Dwyer who, after all was said and done, had to admit: This was a terrific team and it was great fun working with them.

Mr. Donald Pellegrini

HEADMASTER'S MESSAGE TO THE CLASS OF 1987

Are you now disturbed by the present conditions of the world? Do you look with misgiving upon your future, filled, so you think, with so many threats to a quiet, purposeful, rewarding, happy life? If you do, I venture to make the assertion that you are more fortunate than many of you realize, and that you are equipped with the tools necessary to make changes. It should be your firm resolve to do all in your power to assist in readjustments, so that you may take your places in a social order, based on the principles of democracy, which have proven themselves worthy of many generations' honor and respect.

You must meet the challenge to nurture our society which is dedicated to the cause of human liberty overflowing with the right to life, liberty and the pursuit of happiness. This task will not be easy; thus, I ask God's blessings and assistance in your future.

CITY CHAMPS

The West Roxbury Raider football team went undefeated in the Boston City League and compiled a 8-2 overall record to win the Boston City Championship.

The Raiders were paced by a destructive defense that successfully shut out five of its opponents. Westie's "Zero D" was led by linebackers Rodney Corbitt and Louis Smith, defensive end George Combs and Raiderback Michael McClary.

While the "Zero D" was recording shutouts, the Raider offense was busy overwhelming defenses. With Dennis Wornum and Michael O'Brien leading an offensive line that averaged a hulking 6'2", 265 pounds, runningbacks Fred Coleman and Lorenzo Thompson found it easy to put points on the scoreboard. At the same time, the trio of Jerome Hall, Marco Cenafils and David Valle formed a devastating receiving corps.

The highlight of the year was the last game of the season. The Raiders clashed with league rival Hyde Park High for the city championship. The Raiders came out on top with a 12-6 victory and the bragging rights to the city.

West Roxbury High's 1986 soccer team coached by Mr. Kupka was a young but talented team. They gave it their all trying to finish with a winning season, but ended with a respectable record of 7-7.

Two exceptionally good players were Ron Durocher and Rolando Espinal. They were both selected for the American Soccer Ambassadors All-Star Team.

Captain Ron Durocher is one of the four members of the class of 1987 leaving the team this year along with Lazarus Michaelidis, James Takoulas and Dimitrios Loukos.

Next year's outlook for the Raiders soccer team promises to be a good one with 15 returning lettermen.

The Raider Volleyball team coached by Miss Cohen was short on numbers but long on talent. The team with only eight players on the roster was able to achieve a respectable record of 7-5. The high point of the season occurred when West Roxbury handed Dorchester their first loss in two seasons. The high scorer of the team's season was Georgia Thoidis with 90 points.

The members of the team are: Donna Bakas, Shaunte Boyd, Donna Conway, Michelle Denham, Sheron Hinds, Adina Spriggs, Georgia Thoidis and Angela Webb.

J.K.'s FABULOUS FILLIES

The girls' basketball team is coached by a talented man, Mr. Kennedy. This team has played hard and practice habits have been excellent. The season has seen many close games with all of the girls' effort put in the games. The teams record for this season is 6-7. Martine Bastien, Coretta Curry and Angie Webb have been selected as Division I all stars. Marsha Porter has developed into an excellent point guard for the team. Kim Huggins is becoming a fine small forward. Donna Bakas and Nancy Kershaw have distributed their fine talent into the games, and Shana Hicks has had some good defensive efforts that helped the team. Players lost to graduation will be Curry, Bakas, Kershaw, Webb and Hicks. Congratulations to the girls' Junior Varsity team who finished the season with a 9-1 record.

Coach Kupka led Westie's hockey team to a successful season with a record of 10-4-1. Although the team didn't get off to a good start due to a substantial number of injuries to key players, a return of these players to Westie's lineup generated a great winning streak. This streak resulted in a second place finish in the Boston City League and a spot in the state tournament. Two players who displayed very impressive seasons were junior defensemen Larry Buttner and John McIntyre. Also contributing to Westie's success on the ice were seniors Eddy Long, Rich Martini, Steven Kelly, Kevi Dame, Jim Rinaldi, Paul Buttner, John Scully and Jim Donovan.

Are we really winning?

CITY CHAMPS

West Roxbury High School's softball team coached by Ms. Crutchfield and Mr. Sprissler for three years, have succeeded in making it to the state tournament for two successive years.

The team of 1986 was an outstanding and impressive one. They were tied for first place with a record of 17-1 and were a representative of the city of Boston in the state tournament.

Kelli Fleming, the league leading player that batted over .400 for two years, will be truly missed by the team.

Returning players from last season are: Donna Bakas (.520), shortstop, Donna Conway (.547), third base, Donna Costello (.575), catcher, Pam Burks (.415), first base, and Kathy Moriarty (.894), second base.

INDOOR AND OUTDOOR

Row One (l-r): Donique Dean, June Thorpe, Arletha Leaston, Row Two: Sheila Leaston, Angela Hampton, Pamela Burks, Lisa Mulrain, Annette Calloway, Kerri Moore, Row Three: Debbie Williams, Adina Spriggs, Natashela McKenzie, Lynda Gross, Chantell Albert, Sonya Berry, Samantha Ramsey, Tracey Spenser

Indoor track, coached by Mr. Glynn, has both a boys' and a girls' team. The girls' team is made up of 17 talented runners who have the ambition to win. These girls succeeded in having a spectacular record of 5-0, and they went on to become Boston City Champions. The captains are Donique Dean and Arletha Leaston. Donique, a four-year letterman, has established herself in the 600 by coming in second place in the State's meet in 1986, and she also won the Cities from 1983 to 1987. In the Boston City League No. 1, Arletha held the record for the shot put, and she took third place in the hurdles during the Cities from 1986 to 1987. In the same League, kudos to Angela: 2nd-1000, Sheila: 1st-1 mile and 3rd-HJ in cities, Pamela: 2nd-HJ in cities, Kerri: 2nd-shot put in cities, Natashela: 3rd-2 mile in the cities, Debbie: 1st-300 in cities.

The boys' team had many talented runners also. Senior sprinter Lorenzo Thompson did extremely well during the 1987 season, and he placed first for the shot put during the cities. Shot putter Dennis Wornum has also been a great contributor to the success of the boys' team.

The **Time Of Your Life**

This is the time of your life. . . . A time to celebrate, to remember good times and bad, old friends and new, successes and failures.

A time to look to the future. To carry all the experiences of high school with you. To let these experiences help you grow and face the challenge and excitement of the world you are about to enter.

You are all headed in different directions. Some of you will be looking for jobs, going to college, technical schools. We hope that the programs that Bank of New England has developed at West Roxbury High School have helped you prepare for the new experiences that lie ahead.

For over ten years, Bank of New England has worked with West Roxbury High School to initiate and fund programs that have let you learn about life. From covering current events through our magazine and newspaper subscriptions to introducing current computer software programs, our programs were designed to enrich your years at West Roxbury High and help you meet the challenges of the future.

We couldn't reach all of you, but for those we did we hope we made a difference—in your choices, enthusiasm, growth and future.

To your life.
Congratulations
